

2023-2024 COURSE SYLLABUS

Digital Design

Teacher: Marc R. Dastous

Room Number: A403

Semester: Fall 2023 | Spring 2024

Textbook: CodeHS

Website: <http://CTAEMrD.Dastous.us>

Phone Number: 404.802.3001

Email: marc.dastous@apsk12.org

Tutorial Days: Monday

Tutorial Hours: 3:45-4:45 PM

Tutorial Location: A403

Course Description:

Using web design as the platform for product design and presentation, students will create and learn digital media applications using elements of text, graphics, animation, sound, video and digital imaging for various formats. The digital media and interactive media projects developed and published showcase the student skills and ability. Emphasis will be placed on effective use of tools for interactive multimedia production including storyboarding, visual development, project management, digital citizenship, and web processes. Students will create and design web sites that incorporate digital media elements to enhance content of web sites.

Various forms of technologies will be used to expose students to resources, software, and applications of media. Professional communication skills and practices, problem-solving, ethical and legal issues, and the impact of effective presentation skills are enhanced in this course to prepare students to be college and career ready. Employability skills are integrated into activities, tasks, and projects throughout the course standards to demonstrate the skills required by business and industry. Competencies in the co-curricular student organization, Future Business Leaders of America (FBLA), are integral components of the employability skills standard for this course.

Pathway SAMPLE OCCUPATIONS:

Occupation Specialties	Entry Level of Education Needed	2012-2013 Annual Wage	Annual Openings 2012-2020
Web Developers	Bachelor's Degree	\$68,200	190
*Computer System Analysts	Bachelor's Degree	\$73,800	810
Computer Programmers	Bachelor's Degree	\$75,400	230

Source: Georgia Department of Labor/ONET. *Georgia's HOT Careers to 2020 for more information on high-skilled, high-wage & high-demand occupations.

Students in this pathway will complete an End of Pathway Assessment (EOPA) in HTML Development in preparation for careers in web and digital communications. These careers involve creating, designing and producing interactive multimedia products and services, including the development of digitally-generated or computer enhanced media used in business, training, entertainment, communications and marketing. Sample interactive media occupations include web designer, webmaster, 3D animator, virtual reality specialist, multimedia producer and graphic artist.

Organizations of all types and sizes use digital media to communicate with existing and potential customers, to track transactions and to collaborate with colleagues. Interactive media experts can find employment opportunities in organizations of all sizes and types due to the rate of technology change in business and reliance on mobile technology.

Digital Design is the second course in the Web and Digital Design pathway in the Information Technology cluster. Students enrolled in this course should have successfully completed

Prerequisite: Introduction to Software Technology

Digital Design Course Standards

IT-DD – 1	Demonstrate employability skills required by business and industry.
IT-DD – 2	Research, explain, and summarize the current state of the web, functions of the web, and future trends emerging of the web.
IT-DD – 3	Identify logistical, ethical, and legal Issues related to digital media and apply concepts to use of text, graphics, animation, sound, video, and digital images in digital products.
IT-DD – 4	Develop a plan to create, design, and market a website with digital content to a specific target market.
IT-DD – 5	Explore and write using the various writing styles used on websites and in digital content to get the intended message across.
IT-DD – 6	Identify and develop model digital products that reveal a professional layout
IT-DD – 7	Create and edit images and graphics.
IT-DD – 8	Plan, produce, edit, and publish digital audio and look by applying design principles to produce professional quality digital products.
IT-DD – 9	Plan, edit, produce, and post a multimedia-rich video project.
IT-DD – 10	Plan, produce, edit, and publish animations.
IT-DD – 11	Explore how related student organizations are integral parts of career and technology education courses through leadership development, school and community service projects, entrepreneurship development, and competitive events.

Course Units/ Topics:

Unit 1:	Digital Media Ethics Setting up Your Website for Class
Unit 2:	Digital Imaging & Photography (PhotoPea)
Unit 3:	Animation / Stop Motion
Unit 4:	Videography
Unit 5:	HTML Structures
Unit 6:	CSS
Unit 7:	Advanced HTML and CSS
Unit 8:	Portfolio
Throughout the Semester	Soft Skills will be taught throughout the course the topics will include: <ul style="list-style-type: none"> ➤ Employability Skills ➤ Productivity & Organization ➤ Workplace Ethics & Character ➤ Teamwork
	Digital Design Careers: taught throughout the course

This course is project based. Students will be expected to complete a variety of projects in order to demonstrate mastery of the lesson.

Evaluation and Grading:

Course Components		Weights		Grading Scale	
Classwork (grading floor of 50)		40%		100-90	A
Summative		60%		89-80	B
				79-70	C
				69-0	F
TOTAL		100%		Not Evaluated	NE

**NE (not evaluated): Tasks may be entered into the "Classwork" category as not evaluated/not graded/unweighted in order to record formative tasks included in instruction.*

CLASSWORK CATEGORY:

- Grading floor of 50
- "Missing" calculated as 50
 - Graded tasks with earned scores of 50 or below are entered as 50.

SUMMATIVE CATEGORY:

- Students' grades are entered as earned.
- Reassessment opportunities are Mandatory for all students on summative tasks (including tests and quizzes) when they score 69% or below. This reassessment will be a newly generated teacher assessment and the reassessment score will replace the original score if higher. Students have one opportunity for reassessment.
The reassessment opportunity does not apply to final exams.
- ***For classes with content on Edgenuity:*** If the student has not demonstrated mastery of the content during the reassessment opportunities, the student may be assigned Edgenuity. If assigned Edgenuity, students must take the assessments in a teacher-proctored environment. Courses aligned with Edgenuity:
 - Social Studies: World History, US History, Economics, American Government
 - Language Arts: American Literature, Ninth Grade Literature, World Literature, British Literature
 - Math: Algebra, Geometry, Advanced Algebra, Pre-Calculus
 - Science: Biology, Environmental Science, Chemistry, Physics

LATE ASSIGNMENTS: A late assignment is defined as work submitted after the teacher collected the assignment.

- Tasks in the formative classwork category must be submitted by the date of the summative assessment (or reassessment) for that unit.
- For tasks in the summative grading category, late work deadlines are outlined below.
- Teachers should enter an "M" into IC if a formative classwork task is missing. If the student turns the task in prior to the deadline (see first bullet above), the assignment will be scored based on mastery of the standard(s) and entered into the grade book.

Summative Task Deadlines: 2023-2024 School Year

First semester August 1-December 15, 2023	Midpoint: 10/6	Deadline 9/25 for tasks and reassessments in the summative category that were due 8/1-9/22
		Deadline 12/4 for tasks and reassessments in the summative category that were due 9/25-12/1
Second semester January 3-May 24, 2024	Midpoint: 3/15	Deadline 3/4 for tasks and reassessments in the summative category that were due 1/3-3/1
		Deadline 5/13 for tasks and reassessments in the summative category that were due 3/4-5/10

For AP Classes: All late formative classwork in AP classes will be assessed a 20% penalty. Deadlines noted above also apply to AP classes.

CAMPUS PORTAL FOR PARENTS AND GUARDIANS: Visit - <https://ic.apsk12.org/portal> to view class schedules, attendance records and grades. To activate your account, visit the school to receive your login (activation key).

SCHOOLOGY is a K-12 educational learning management system and an all-in-one platform for teaching, learning, assessing, and reporting grades and data. The goal for an LMS is to allow a school to have a central piece of technology to be the platform for communicating with students, teachers, families, and administration. Students access Schoology through MyBackpack.

REQUIRED MATERIALS:

- pen/pencil
- flash drive
- Headphone or Earbuds

SCHOOL-WIDE BEHAVIORAL EXPECTATIONS: Be present; be respectful; be responsible; be on task; be peaceful, productive problem solvers.

CLASSROOM EXPECTATIONS:

- All virtual and hybrid classes will be held on zoom.us.
- Arrive ON time (If you are early = on time, On time = late, Late = unemployed)
- ACTIVELY participate
- Remain on task
- Embrace the use of the 5Cs (communication, collaboration, creativity, critical thinking, & citizenship)
- Cellphones must be locked up during class, a secure lockbox is located at the front of the room.
- No Eating & Drinking during class

ACADEMIC DISHONESTY: It is the responsibility of every student and employee to exhibit honesty, trust, fairness, respect, and responsibility in academic work always to support a positive learning environment in the school. Cheating, plagiarism, and other acts of academic dishonesty are strictly prohibited. Students who cheat on standardized testing or are repeatedly dishonest can face expulsion or increased consequences. Examples of violations of this rule include but are not limited to: copying or "borrowing" from another source and submitting it as one's own work; seeking or accepting unauthorized assistance on tests, projects or other assignments; fabricating data or resources; providing or receiving test questions in advance without permission; or working collaboratively with other students when individual work is expected.

ACADEMIC DISHONESTY WITH A DEVICE: Use of a cellular phone without the consent of a school administrator or school staff during a test, quiz, or completion of a graded assignment is considered cheating and is strictly prohibited.

SCHOOL-WIDE EXPECTATIONS:

MASTERY LEARNING: With mastery learning, a unit of material is taught, and student understanding is evaluated before students are able to move on to the next unit. Students who have not shown mastery for a particular unit will receive feedback and support in reaching mastery. They may be given practice exercises, study guides, group work or complementary resources to help them improve and achieve mastery. Students who demonstrate mastery of the content for a particular unit are given enrichment exercises like special projects, tasks or academic games to further or broaden their knowledge of the material.

For additional help, Tutor ATL info: <https://tutoratl.org>

PROGRESS REPORTS: Parents and guardians are informed when students are making unsatisfactory progress in classes. Poor performance will be reported to parents and guardians as soon as problems are evident. Progress reports with plans for remediation will be provided for all students making unsatisfactory progress, and parent-guardians conferences must be scheduled. Unsatisfactory grades should never come as a surprise to parents, guardians, or students. Also, see Board Policy Administrative Regulation IHA-R(1) under "Students in danger of not meeting academic expectations" for further information. Teachers will:

- Contact parents/guardians early in the semester if academic, attendance, or behavioral difficulties are apparent.
- Notify the counselor, Student Support Team (SST)/Response to Intervention (RTI) Chair, and/or an assistant principal of serious problems that are affecting classroom performance.
- Set up parent conferences as necessary.

ATHLETIC ELIGIBILITY: Students wanting to participate in athletic programs governed by the GHSA and extracurricular activities must meet eligibility requirements to participate. The Athletic Director (and the Extracurricular Activities sponsors) will collaborate with teachers to monitor and to identify students in danger of failing courses. A master list of students participating in extracurricular activities and athletics under the auspices of the GHSA will be available to all staff.

Our Vision: A high-performing school where educators inspire, families engage and students love to learn.

Our Mission: Every student will graduate college and career ready with a dedication to community involvement and service.

Midtown Graduate Profile (5 Cs): Creative, collaborative, critical thinker, communicative, and a good citizen.
